Possible prediction of today's games

Best prediction for today's games. Today's predictions games.

In sÅ © rie A fantasy A Song of Ice and Firea (better known to the público HBO as a ThronesÅ game ¢), there are many villains. Now a new hÅ¡. T forget the white walkers and the Lannisters. Do not worry about the f Tullys or the Boltons. The real opponent to avoid Å © a computer program designed by students from the University TÅ © cnica Munich. Why? Because Å © predict which characters in a game ThronesÅ ¢ morrerÅ¡ next.The class Chisel decided to create a learning algorithm designed to analyze the fantasy characters and look Å © George RR Martin peak for markers that indicate destruiÅŠ Å f imminent. FazÅª to him, he had the crowdsourced The ice Wiki and Fire.The students identified more than 2,000 characters sÅ © rie. They took note of the sex of a character, age, posiÅŠÅ f social house, which books the character appeared in and whether or not the character ¢ estÅ¡ still alive in the context of history. They designed an algorithm to take all these into account My Information to see if hÅ¡ common elements that indicate a particular person Å © more or less likely to die.Å The My Information they acquired Å © interesting. HÅ¡ about two times more male characters as the fÅªmeas sÅ © rie. The men of sÅ © rie SÅ ¢ o more likely to belong to a noble family. But men Tamba © m ¢ sÅ the more likely to die violently than women sÅ ¢ one only 57 percent of male characters is still the ¢ living © Ata the end of the fifth book in the ¢ comparaÅŠÅ with 79 percent of the female characters.Social posiÅŠÅ ¢ ¢ nÅ the offer much in the proteÅŠÅ ¢ Martin world. Nobles and peasants tÅªm also had an end horrÅvel. And already everyone is interested in ruling the kingdom, being at the top of the food chain means that you are wearing a terribly big target.It should come as no surprise, the ¢ Enta, the computer algorithm foresees with a 97 percent sure that Tommen Baratheon serÅ¡ the prÅªximo character to die. Tommen Å © the boy who now sits on the Iron Throne. Logo atrÅ¡s it Å © Stannis Baratheon, brother of the late King ¢ Robert Baratheon. Rounding out the top three Å © the MÅ ¢ and DragÅpes, Daenerys Targaryen, 95 percent.If these revelations enchÅª it with fear, keep in mind that this Å © just a computer program giving odds based on anÅ¡ estatÅstica lysis. And according to the class in the test-Only model was able to predict Å ¢ "the death of a dead character with 49 percent precision.Will final algorithm being right? Jon Snow Å © really coming back, or the computer only Å © a big fan E? Will Martin all of us play for a loop and bring everyone back to a big musical Number? we will'll have to wait and find out. by now, check out the vÅdeo above to learn more about Thea program. you have 1 free articles left this mÅªs. HBR gifts is a network of podcasts cured by HBR editors, bringing the best business ideas from the main minds of management. Opinions and opinions express are only those of the authors and do not necessarily reflect the policy or official position of Harvard's business revision or their affiliates. The fan ¢ s tÅªm kept track of history and the Big Brother theyÅ ¢ ve noticed coincidences. These coincidences were called cursesÅ ¢ Å ¢ believed to afflict some houseguests. The maldiÅŠÅpes sÅ ¢ something that you should keep in mind when predict who Losing the game. 1. The first to enter Curse Host Julie Chen Moonves with Housegues: L-R Bottom Line: Bottom: MacarrÅ ¢ o, Isabella Wang, David Alexander, analyze Talvera; L R Top Row: Cliff Hogg, Jessica Milagros, Christie Murphy, Sam Smith On 'Big Brother' | Monty Bronton / CBS Via Getty Images Related: ~ Å ¢ ~ Å "Big Brother Å ¢" ¢ "¢" ¢ "¢" ¢ "¢" ¢ ¢ with the guests entering the house in waves. It also seems selected randomly who is the first person to enter the house. However, it is believed that there is an Å ¢ æTrest Understanding Å ¢ Å ¢™ s. This means that the first person entering the house does not win. The curse was technically broken at Celebrity Big Brother 2, Tamar Braxton was the first person to enter and she won the game. But some fans do not recognize this as the cursing that is being broken, since it did not happen on the main show. If a houseguest is a super superstitious fan, they should avoid being the first to go through the doors. 2. The Related Otev Damn: Å ¢ "Big Brother 22 Å ¢" ¢ Å "¢ Å ¢ ¢" ¢ To have Å ¢ ¢ ¢ Å "Several Place Å" ¢ "¢" ¢ "¢" "ShadyÅ ¢ Å ¢" ShadyÅ ¢ Å ¢ "Tweets The Damn Otev is about Otev veto competition that happens once per season. It is like musical chairs where each houseguest kneels before the otev status and solves a puzzle. This tests the memory of hospedes typically and they have to search through the water to answer questions. If they understand, then they are eliminated. It's a good thing to win the power of veto. But the fans have noticed that people who gain this concurrence nÅªÅ Å Å ¢ ¢ fÅ ¢ fÅ ¢ ¢ fÅ ¢ ¢ f Tyler Crispem at Big Brother 20, Liz Nolan at Big Brother 17, Dan Gheesling at Big Brother 14, and Ryan Quicksall at Big Brother 9 stayed nearby, getting vice champion after his earnings Otev. But if you want the biggest match of the game, then you should try to avoid winning this veto. 3. The Monday and Quinta Hoh Related Curse: Å ¢ "Big Sister Å ¢ Å ¢" ¢ "hate Å Å Å ¢ ¢" ¢ "as Memphis Garrett speaks to David Alexander another victory that nÅªÅ ¢ ¢ o is very good chief of house (hoh) wins. Hoh's title is important since the winner can select two people To go to the block to be dumped. If someone is taken from the block, Hoh replaces them. If the votes are tied, Hoh can give the vote of decision. But you may not want to win. The second or fifth week of the game. This is because no one won these weeks, then came to win the game. Daniele Briones in Big Brother 8, Paul Abrahamian in Big Brother 18, and Holly Allen in Big Brother 21, arrived. Nearly after being a week 5 hoh for being vice president. However, it was not enough to really break the curse. Big Brother has a long history given for the first time narrowing in 2000. So, , it's not that the people are Endents try to make a meaning behind these coincidences. Will any of the cursed be broken? It is possible, since the cursions were broken in the past. When the throw game involved his sixth season, our collective jaws were on the ground. It was a race of episode punctuated by dead deaths and stunning production values, all culminating in what is arguably the best season that the show gave us. Still, there's a lot of story to tell. The plan now is to share the Book on George R.R. Martin in two smaller stations, with each episode that reaches the Topic Time of Performance. It is an approach that will finally give HBO more to play. Instead of a single season of 10 episode, we will be around 12 - 13 episode divided over two years. What we will be entering at that time, although it is the guess, leaving us freely to theorize wildly as we wait for the rest of the season 7. So, what goes down the line? All signs seem to point to some large-scale events. 1. The reign of Cersei at the top of the of iron will not overcome the queen cersei, briefly, she can reign | HBO has been a hard and long road to Cersei Lannister. But after exploding the great and murdering everyone in the landing of the king who opposed to she now sits victorious on the Iron Throne. Queen reign CerseiÅ ¢ s Å © will probably be short duraÅŠÅ ¢ o, PORA © m, and Åªnica ¢ Questa real Å ¢ © WHOA will bring down her her first. First we have Jaime, whoa ¢ s returned home to find his sister ¢ Wasa directly responsÅ¡vel the death of his son Åªnico survivor. Infamous known as the Kingslayer certainly wouldnÅ ¢ t be the first time heÅ ¢ s killed a monarch. If it does not do the job, Daenerys has a huge army green © ARMY and three dragÅpes en route to take Landing Kinga ¢ s. 2.A The Wall estÅ¡ down, and itÅ ¢ will probably be blamed Brana s Bran Stark | HBO Before leaving Bran and Meera, Benjen Stark was sure to point out that the wall was protected by ancient magic, much the same way the cave Three-Eyed Ravena s era. This spell can be broken by Mark King Night-Only that happens to be marked right at braÅŠo Brana s now. If the bran pass attempts atravÅ © s of the wall, it could well bring the whole damn thing to take down the ¢ Cha, allowing the White Walkers and his army green © ARMY zombie access Necessary to start a ¢ invasion large-scale. 3. Jon, Daenerys, and it was Principe Å ¢ ¢ true identity promisedÅ Jon SnowÅ ¢ © S to finally revealed | HBO end of season 6 out of his way to emphasize heranÅŠa Targaryen Secret Jon SnowÅ ¢ s, while the surviving member of that Åªnico Famalia comeÅŠou to make their way to Westeros. This puts the two in a way that could save the world from imminent invasion ¢ the White Walkers. In Thea Game of ThronesÅ universe thata ¢ s far from a guarantee, and all of us know you can end up destroying each other instead of joining. But as the two left Åªnicos Targaryens, his irÅ¡ shared lineage play a huge role in all that Showa ¢ s Endgame could be. This all leads us Å prophecy Principe Å ¢ what was promised. Azor Ahai. Thea AWOIAFA Wiki tells us the following: An agreement with the prophecy retold by Melisandre, after a long Vera ¢ o, Azor Ahai will be reborn amid fumaÅŠae salt wielding flaming swordÅ Lightbringer to defend the world from RA hlorÅ ¢ s nemesis, the Other Å ¢ This seems to point to the Jona ressurreiÅŠÅ ¢ s, his sword White Walker-killing, and the impending war with the King of the Night. And now we know about the real blood of it, which could have all-Only pieces necessÅ¡rias Toa fulfill this prophecy. 4. Pinky and Sansa has its prÅªprios plans to Winterfell LittlefingerÅ nÅ ¢ Å ¢ o © done yet | HBO Petyr Baelish proved to be the mÅªximo schemer in thea Game of ThronesÅ universe, having successfully orchestrated his plan designed to install Sansa back in a seat of power in his ancestral home of Winterfell. This could be-Only his intrigues Ignatius Tamba © m, already have planted the seeds of a doubt in Sansa about Jona s role as the new King in the North. Shea ¢ Never was a grab for power for the sake of prÅªprio power, but Shea ¢ s Tamba © m spent a long time to submit to the power of men. Having put her house under the control of his brother ¢ bastard could represent a drop of water. 5. The war to end all wars estÅ¡ coming ¢ Å ¢ HardhomeÅ was just a taste Whata's on the horizon for Westeros | HBO While all vÅ¡rias Westeros homes grab for power, thereÅ ¢ s a much larger war on the horizon, and itÅ ¢ s one that could tear the whole kingdom in Pieces. Once the EXA © ARMY White Walker inevitably passes through the wall, all bets will be off the ¢. Daenerys will have to gather the dragÅpes it in the ¢ aÅŠÅ, Jon serÅ¡ the first line of defense in Winterfell, and the rest of the world will find that the white walkers SÅ ¢ o more than just a story told to sleep Å s children. And because ItaÅª SA Game of Thrones, Å WEA're in ¢ guaranteed a happy ending. Buckle up, because things are about to the ¢ Geta nuts.Å 6. Euron Greyjoy has its prÅªprios plans for Westeros Euron Greyjoy | HBO Euron Greyjoy estÅ¡ To make some serious problems for Westeros, after taking the iron islands through some Antique fashion fratriey. In the novels, he owns a horn capable of draggers controlling, so if macguffin raises his head any time, you can bet he Å ¢™ s nephew. 7. The Iron Bank is coming to collect Actor Mark Gatiss in Game of Thrones | HBO as the main money lenders in thronesÅ game, universe, the iron bench is a formidable power, especially if you can can not afford your dwellings. Both the end of Stannis Baratheon and the iron throne should give them a considerable sum of money, and with Mark Gatiss on board to reprise their role as the bench boss, they could be coming from collecting. In the books, theyÅ ¢ I have known bothering rulers who renegs their daughters, which could mean certain death for ceremia ¢ s soon-to-be short duration on the iron throne. 8. Arya is ready for a murder binge is Pica Arya Vinga Red Wedding | HBO in the books, the red wedding is avenged by Arya Stark, but by her mother, Catelyn. Risen by Beric Dondarrion, she assumes the nickname of Lady Heart of Stone, ruthlessly killing all, even passingly associated with her son's death, Robb (including Brienne and Podick). In force rumors seem to suggest that Lady Stoneheart WonÅ ¢ t be appearing on HBO's Srio, but the recent murder arya domain can become a substitute apt, starting with the brutal murder of Walder Frey and his children. 9. Westeros will unite or be destroyed Daenerys travels to Westeros | HBO Westeros has proven to be nothing if not politically instiable, with the Kingdoma ¢ s several houses to make war and betraying something of a national pastime. But with the war to end all the wars emerging on the horizon, finally, the ruling houses will have to leave aside their differences and to unite. That said, Ita will be more than a little fun to see Lannisters, Targaryens, Starks, Tyrell, Martell and GreyJoys all reinforce to fight against the impending white siege Walker. It is that or your internal struggle will take your total and absolute destruction. 10. Tyrion Will Have Your Proper Dragon Tyrion Lannister | HBO we all know that Daenerys will be flying over one of her dragons in Landing KingÅ ¢ s. This leaves two dragons without pilots. Fortunately, Tyrion Lannister was recently named the Queen's hand, and he understood his desire to have his own dragon since he was a small boy. Game of ThronesÅ, rarely gives us moments of pure joy, but we still dream of a world where Peter Dinklage begins to ride a damn dragon for battle.
